

**Avenue House and Hasland Partnership -Hasland Surgery**  
**Nurse Practitioner 5-10 sessions a week (negotiable) – competitive salary**

Avenue House and Hasland Partnership are seeking a Nurse Practitioner to join our friendly team. The Partnership has a patient list of 14500, based over two sites and has a good reputation locally. The position will be normally based at our Hasland surgery site with the possibility of working at Avenue House Surgery as required.

Hasland surgery has a small cohesive team consisting of 2 GPs, a Practice Nurse, HCAs/Phlebotomists and Receptionist/Administrators. The Clinical team is supported by a Practice Pharmacist and Pharmacy Technician. The Nurse Practitioner will also be an intrinsic part of the wider Nursing team at Avenue House Surgery.

The post holder will be expected to autonomously assess and treat patients within an urgent care clinic. They must be able to demonstrate excellent case management assessment, clinical examination and diagnostic skills. They will also play a role in some routine patient screening and treatments and chronic disease management. Our team of clinicians need to be flexible and able to respond to patient demand. The successful applicant may also be required to provide supervision and mentorship for our nursing team.

A further merger is planned for April 2018 which will see Hasland Medical Centre join forces with us to create a new three site partnership. The new Partnership will have 18500 patients. We are excited about the opportunities that this merger may bring for patients and staff alike.

A full job description and person specification are available on request. For informal discussion contact Laura Gummer (Practice Manager) or Sharon Smithurst (Lead Nurse) on 01246 244040

Closing date: Wednesday 3<sup>rd</sup> January 2018.  
Interviews will be held on Wednesday 10<sup>th</sup> January 2018.
