

Statement of purpose

Health and Social Care Act 2008

Part 2

Aims and objectives

Please read the guidance document *Statement of purpose: Guidance for providers*.

Aims and objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

nGMS Contract 2004-Essential Services

Management of patients who are ill or believe themselves to be ill, with conditions from which recovery is generally expected, or for the duration of that condition, including relevant health promotion advice and referral as appropriate, reflecting patient choice wherever practicable.

General management of patients who are terminally ill.

Management of chronic disease in the manner determined by the practice in discussion with the patient.

Plus any Locally Enhanced Services (LES's) or their equivalent which may be commissioned from the practice by PCT, CCg, local authority or the NHS Commissioning Board
